# Occupational Therapy Advice Line for Swansea Schools

Do you need to discuss functional Occupational Therapy issues that are impacting on your pupil's progress within school?

If so we have three, one hour dedicated advice clinics per week, where you can contact us within this time to discuss any school related issues.

## Advice Line Times:

Tuesday: 11am-12pm

Wednesday: 1pm-2pm

Thursday: 10am-11am

We will be using an online, virtual platform called Attend Anywhere.

Please contact Lyndsay Jenkins for the link to access and the information leaflet on how to use the platform.

**IMPORTANT:** We ask you to be patient if we are already on a call when you join the virtual waiting room to be seen. We will be operating on a first come, first serve basis and will be keeping to our allocated hour slots. As such, we may not be able to get to everyone waiting within this hour, so if we don't get to you, you will need to try again.
